Pathways Qualification

- ✓ Progress a range of master's degree courses in the areas of education, business administration, management, or related fields.

This course is aimed at developing highly specialised knowledge and skills in the field of organisational learning and capability development. Individuals in these roles generate and evaluate complex ideas. They also initiate, design, and execute major learning and development functions within an organisation. Typically, they would have full responsibility and accountability for the personal output and work of others.

This qualification may apply to leaders and managers in an organisation where learning is used to build organisational capability. This qualification may provide academic credits into master's level qualifications, e.g., Master of Education or related degrees.

Graduates at this level will have broad knowledge and skills for paraprofessional/highly skilled work and/or further learning.

Contempo College exists to empower each learner with skills. Knowledge and values needed for higher programs, workforce entry, advancement and personal enrichment.
